Monroe County Community Leadership Institute

We had approximately thirty participants who completed the Monroe County Community Leadership Institute on May 20. The program included community orientation sessions on economic and community development, education, health care, local government, and leadership. Thanks to all who participated!!! Pictured Left, (l-r) at the last Leadership Session on education are Chris Brown, Superintendent Jim Sappington and Mayor Jim Ballard.

Dr. Hank Bounds, State Superintendent of Mississippi Department of Education addressed the leadership group at the last session focusing on education. Aberdeen, Amory and Monroe County School Districts were also represented at the meeting.

Kathy Nerren, who participated in the leadership institute talks with Monroe County Superintendent, Scott Cantrell.
